### **DECISION ON ATTORNEYS' FEES AND COSTS<sup>1</sup>**

**Roth**, Special Master:

On December 17, 2019, Micah and Jillian Parten (“petitioners”) filed a petition pursuant to the National Vaccine Injury Compensation Program (“the Program”)<sup>2</sup> on behalf of their minor daughter, that P.P. developed a neurological demyelinating injury after receiving diphtheria-tetanus-acellular pertussis (“DTaP”), inactivated polio (“IPV”), haemophilus influenzae (“Hib”), pneumococcal conjugate (“PCV13”), and rotavirus vaccines on October 26, 2018. Petition, ECF No. 1. On April 20, 2021, petitioners filed an amended petition, changing the injury alleged to postvaccine encephalopathy. (ECF No. 33). On August 1, 2023, the parties filed a stipulation, which the undersigned adopted as her decision awarding compensation on the same day. (ECF No. 59).

---

<sup>1</sup> Because this Decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims' website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). This means the Decision will be available to anyone with access to the internet. In accordance with Vaccine Rule 18(b), Petitioners have 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub L. No. 99-660, 100 Stat. 3755.

On January 22, 2024, petitioners filed an application for final attorneys' fees and costs. ("Fees App.") (ECF No. 64). Petitioners request total attorneys' fees and costs in the amount of \$47,142.09, representing \$42,471.00 in attorneys' fees and \$4,671.09 in costs. Fees App. at 2. Pursuant to General Order No. 9, petitioners warrant that \$97.65 in costs were incurred. *Id.* Respondent responded to the motion on January 26, 2024, stating "Respondent is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case" and requesting that the undersigned "exercise her discretion and determine a reasonable award for attorneys' fees and costs." Response at 2-3 (ECF No. 66). Petitioner did not file a reply thereafter.

This matter is now ripe for consideration.

## **I. Legal Framework**

The Vaccine Act permits an award of "reasonable attorneys' fees" and "other costs." § 15(e)(1). If a petitioner succeeds on the merits of his or her claim, the award of attorneys' fees is automatic. *Id.*; see *Sebelius v. Cloer*, 133 S. Ct. 1886, 1891 (2013). However, a petitioner need not prevail on entitlement to receive a fee award as long as the petition was brought in "good faith" and there was a "reasonable basis" for the claim to proceed. § 15(e)(1). Here, because petitioners were awarded compensation pursuant to a stipulation, they are entitled to a final award of reasonable attorneys' fees and costs.

The Federal Circuit has endorsed the use of the lodestar approach to determine what constitutes "reasonable attorneys' fees" and "other costs" under the Vaccine Act. *Avera v. Sec'y of Health & Human Servs.*, 515 F.3d 1343, 1349 (Fed. Cir. 2008). Under this approach, "an initial estimate of a reasonable attorneys' fees" is calculated by "multiplying the number of hours reasonably expended on the litigation times a reasonable hourly rate." *Id.* at 1347–48 (quoting *Blum v. Stenson*, 465 U.S. 886, 888 (1984)). That product is then adjusted upward or downward based on other specific findings. *Id.*

Special masters have substantial discretion in awarding fees and may adjust a fee request *sua sponte*, apart from objections raised by respondent and without providing petitioners with notice and opportunity to respond. See *Sabella v. Sec'y of Health & Human Servs.*, 86 Fed. Cl. 201, 209 (2009). Special masters need not engage in a line-by-line analysis of petitioner's fee application when reducing fees. See *Broekelschen v. Sec'y of Health & Human Servs.*, 102 Fed. Cl. 719, 729 (2011).

## **II. Discussion**

### **A. Reasonable Hourly Rate**

A "reasonable hourly rate" is defined as the rate "prevailing in the community for similar services by lawyers of reasonably comparable skill, experience and reputation." *Avera*, 515 F.3d at 1348 (quoting *Blum*, 465 U.S. at 896 n.11). In general, this rate is based on "the forum rate for the District of Columbia" rather than "the rate in the geographic area of the practice of petitioner's attorney." *Rodriguez v. Sec'y of Health & Human Servs.*, 632 F.3d 1381, 1384 (Fed. Cir. 2011) (citing *Avera*, 515 F. 3d at 1349). There is a "limited exception" that provides for attorney's fees

to be awarded at local hourly rates when “the bulk of the attorney's work is done outside the forum jurisdiction” and “there is a very significant difference” between the local hourly rate and forum hourly rate. *Id.* This is known as the *Davis County* exception. *See Hall v. Sec’y of Health & Human Servs.*, 640 F.3d 1351, 1353 (2011) (citing *Davis Cty. Solid Waste Mgmt. & Energy Recovery Special Serv. Dist. v. U.S. EPA*, 169 F.3d 755, 758 (D.C. Cir. 1999)).

For cases in which forum rates apply, *McCulloch* provides the framework for determining the appropriate hourly rate range for attorneys' fees based upon the attorneys' experience. *See McCulloch v. Sec’y of Health & Human Servs.*, No. 09–293V, 2015 WL 5634323 (Fed. Cl. Spec. Mstr. Sept. 1, 2015). The Office of Special Masters has accepted the decision in *McCulloch* and has issued a Fee Schedule for subsequent years.<sup>3</sup>

Petitioners request the following hourly rates for the work of their counsel at Conway, Homer, P.C:

	2018	2019	2020	2021	2022	2023	2024
Ronald Homer	-	\$430	\$447	\$447	\$475	\$500	\$500
Christina Ciampolilo	-	\$350	\$380	\$380	\$425	\$470	\$470
Joseph Pepper	-	\$325	-	-	\$415	\$455	-
Lauren Faga	-	-	-	-	\$385	-	-
Meridith Daniels	-	-	-	-	-	-	\$455
Nathaniel Enos	-	-	-	\$230	\$280	-	-
Patrick Kelly	-	-	\$225	\$225	-	-	-
Paralegal	\$142	\$145	\$155	\$155	\$170	\$185	\$185

These rates are consistent with what counsel and paralegals have previously been awarded for their Vaccine Program work, and the undersigned finds them to be reasonable herein.

## **B. Hours Reasonably Expended**

Attorneys’ fees are awarded for the “number of hours reasonably expended on the litigation.” *Avera*, 515 F.3d at 1348. Counsel should not include in their fee requests hours that are “excessive, redundant, or otherwise unnecessary.” *Saxton ex rel. Saxton v. Sec’y of Health & Human Servs.*, 3 F.3d 1517, 1521 (Fed. Cir. 1993) (quoting *Hensley v. Eckerhart*, 461 U.S. 424, 434 (1983)). “Unreasonably duplicative or excessive billing” includes “an attorney billing for a single task on multiple occasions, multiple attorneys billing for a single task, attorneys billing excessively for intra office communications, attorneys billing excessive hours, [and] attorneys entering erroneous billing entries.” *Raymo v. Sec’y of Health & Human Servs.*, 129 Fed. Cl. 691, 703 (2016). While attorneys may be compensated for non-attorney-level work, the rate must be comparable to what would be paid for a paralegal or secretary. *See O’Neill v. Sec’y of Health &*

<sup>3</sup> The Fee Schedules can be accessed at <http://www.cofc.uscourts.gov/node/2914>. The hourly rates contained within the schedules are updated from the decision in *McCulloch v. Sec’y of Health & Human Servs.*, No. 09-293V, 2015 WL 5634323 (Fed. Cl. Spec. Mstr. Sept. 1, 2015).

*Human Servs.*, No. 08–243V, 2015 WL 2399211, at \*9 (Fed. Cl. Spec. Mstr. Apr. 28, 2015). Clerical and secretarial tasks should not be billed at all, regardless of who performs them. *See, e.g., McCulloch*, 2015 WL 5634323, at \*26. Hours spent traveling are ordinarily compensated at one-half of the normal hourly attorney rate. *See Scott v. Sec’y of Health & Human Servs.*, No. 08–756V, 2014 WL 2885684, at \*3 (Fed. Cl. Spec. Mstr. June 5, 2014) (collecting cases). And “it is inappropriate for counsel to bill time for educating themselves about basic aspects of the Vaccine Program.” *Matthews v. Sec’y of Health & Human Servs.*, No. 14–1111V, 2016 WL 2853910, at \*2 (Fed. Cl. Spec. Mstr. Apr. 18, 2016). Ultimately, it is “well within the Special Master’s discretion to reduce the hours to a number that, in [her] experience and judgment, [is] reasonable for the work done.” *Saxton*, 3 F.3d at 1522. In exercising that discretion, special masters may reduce the number of hours submitted by a percentage of the amount charged. *See Broekelschen*, 102 Fed. Cl. at 728–29 (affirming the Special Master’s reduction of attorney and paralegal hours); *Guy v. Sec’y of Health & Human Servs.*, 38 Fed. Cl. 403, 406 (1997) (same).

Upon review, the undersigned finds the majority of the hours billed to be reasonable. However, a small amount must be reduced for attorney time billed for review of status reports prepared by other attorneys. The undersigned notes that it is common practice for Conway, Homer, P.C. to have several attorneys assist over the course of a case. In some instances, such as when preparing substantive documents like the petition, briefs, and settlement demands, it is reasonable to have another set of eyes review that document. However, it is not reasonable to have an attorney bill for time to review routine filings, such as status reports and motions for enlargement of time, when those filings were prepared (and billed for) by another attorney. This is not the first time the undersigned or other special masters have noted this particular issue concerning Conway, Homer, P.C. billing practices. *See, e.g., Manetta v. Sec’y of Health & Hum. Servs.*, No. 18-172V, 2020 WL 7392813, at \*2 (Fed. Cl. Spec. Mstr. Nov 19, 2020); *Lyons v. Sec’y of Health & Hum. Servs.*, No. 18-414V, 2020 WL 6578229 (Fed. Cl. Spec. Mstr. Oct. 2, 2020). A reduction of \$377.50 shall be made to address this issue.

Accordingly, petitioners are entitled to a final award of attorneys’ fees in the amount of \$42,093.50.

### **C. Reasonable Costs**

Like attorneys’ fees, a request for reimbursement of attorneys’ costs must be reasonable. *Perreira v. Sec’y of Health & Human Servs.*, 27 Fed. Cl. 29, 34 (Fed. Cl. 1992). Petitioners request a total of \$ \$4,671.09 in costs comprised of acquiring medical records, postage, copies, and the Court’s filing fee. Fees App. Ex. A at 15; Ex. B. This amount also includes expert services performed by Dr. Paul Maertens, P.P.’s pediatric neurologist, at \$400.00 per hour for 9.5 hours totaling \$3,800.00. *Id.* at 15-17. Fees App. Ex. B at 15. Petitioners have provided adequate documentation supporting the requested costs and all appear reasonable in the undersigned’s experience. Accordingly, petitioners are entitled to final attorneys’ costs of \$4,671.09.

Finally, petitioners request a total of \$97.65 for costs they incurred related to pursuing this case. (ECF No. 65). This amount is comprised of postage, records search, and court fees related to the Oklahoma County guardianship matter. Fees App. Ex. C. The undersigned finds these costs to be reasonable and will award them in full.

### **III. Conclusion**

In accordance with the foregoing, petitioners' motion for attorneys' fees and costs is **GRANTED**. The undersigned hereby awards the following:

- 1) A lump sum of \$46,764.59, representing reimbursement for petitioners' attorneys' fees and costs, in the form of a check payable jointly to petitioners and Mr. Ronald Craig Homer.**
- 2) A lump sum of \$97.65, representing reimbursement for personal costs incurred by petitioners, in the form of a check payable to petitioners.**

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court shall enter judgment in accordance herewith.<sup>4</sup>

**IT IS SO ORDERED.**

**s/Mindy Michaels Roth**

Mindy Michaels Roth  
Special Master
